4 The evaluation did not represent the complexity, efficiency and quality of work performed.

5 I was subject to 100 % of case work review leading me to believe that I was not performing

6 in full mental capacity. I was assigned large number of cases with short deadlines which

20 incidents, and interruption to provide explanation on cases I worked increased, I cooperated

21 but it was a hostile work environment. The reprisal due to prior EEO activity resulted in

22 MS. Nan M Shimizu reassignment but my concerns related to annual evaluation remained

23 unaddressed. The discriminatory act started in December of 2009, while I was assigned

24 to Office of Appeals. I am a NTEU member but union was no help.

Request No. 0520170025

Appeal No. 0120141979

Hearing No. 550-2012-00390X

Agency No. IRS120217F

DECISION ON REQUEST FOR RECONSIDERATION

Complainant timely requested reconsideration of the decision in EEOC Appeal No. 0120141979 (September 1, 2016). EEOC Regulations provide that the Commission may, in its discretion, grant a request to reconsider any previous Commission decision where the requesting party demonstrates that: (1) the appellate decision involved a clearly erroneous interpretation of material fact or law; or (2) the appellate decision will have a substantial impact on the policies, practices, or operations of the agency. See 29 C.F.R. § 1614.405(c).

At the time of events giving rise to the underlying complaint, Complainant worked as a GS-12 Tax Computation Specialist in the Appeals Division at the Agency's facility in San Francisco, California. Complainant filed an EEO complaint alleging that the Agency discriminated against her and subjected her to a hostile work environment on the bases of national origin (Asian-Indian), sex (female), and age (59), and reprisal as evidenced by multiple incidents including, inter alia, her manager subjected her to 100 percent review of her work; her manager denied her request for higher graded work and made disparaging remarks about her abilities; and on a

recurring basis, her manager assigned her more cases, and gave her less time to complete the assignments, than similarly situated other employees.

Our prior appellate decision affirmed the Equal Employment Opportunity Commission Administrative Judge's decision by summary judgment which in favor of the Agency, concluding Complainant failed to prove her discrimination claims.

In her request for reconsideration, Complainant expresses her disagreement with the previous decision and presents some of the same arguments she raised on appeal. We emphasize that a request for reconsideration is not a second appeal to the Commission. See EEO MD-110, Ch. 9, § VII.A. Rather, a reconsideration request is an opportunity to demonstrate that the appellate decision involved a clearly erroneous interpretation of material fact or law, or will have a substantial impact on the policies, practices, or operations of the Agency. Complainant has not done so here.

After reviewing the previous decision and the entire record, the Commission finds that the request fails to meet the criteria of 29 C.F.R. § 1614.405(c), and it is the decision of the Commission to deny the request. The decision in EEOC Appeal No. 0120141979 remains the Commission's decision. There is no further right of administrative appeal on the decision of the Commission on this request.

COMPLAINANT'S RIGHT TO FILE A CIVIL ACTION (P0610)

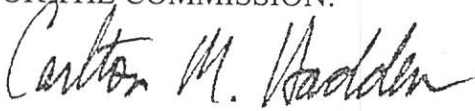

This decision of the Commission is final, and there is no further right of administrative appeal from the Commission's decision. You have the right to file a civil action in an appropriate United States District Court **within ninety (90) calendar days** from the date that you receive this decision. If you file a civil action, you must name as the defendant in the complaint the person who is the official Agency head or department head, identifying that person by his or her full name and official title. Failure to do so may result in the dismissal of your case in court. "Agency" or "department" means the national organization, and not the local office, facility or department in which you work.

RIGHT TO REQUEST COUNSEL (Z0815)

If you want to file a civil action but cannot pay the fees, costs, or security to do so, you may request permission from the court to proceed with the civil action without paying these fees or costs. Similarly, if you cannot afford an attorney to represent you in the civil action, you may request the court to appoint an attorney for you. **You must submit the requests for waiver of court costs or appointment of an attorney directly to the court, not the Commission.** The court has the sole discretion to grant or deny these types of requests.

Such requests do not alter the time limits for filing a civil action (please read the paragraph titled Complainant's Right to File a Civil Action for the specific time limits).
